3 Responding well to safeguarding concerns

If we think a person has been harmed, may have been harmed or might be harmed by another person we will

- ring the emergency services if someone is at risk of immediate significant harm
- speak to the DSO on mobile number 07434 284633
- create a written record on the safeguarding concern form available from [here](#) (You do not need to speak with your minister or church or circuit safeguarding officer first. You will discuss with the DSO who else will be informed.)
- Report to the police, children's services or adult social care before notifying the DSO, if we think it is appropriate.

Abuse may be disclosed to us, or we may see something happen. We may also be concerned that someone is not following safer working practices. All these are safeguarding concerns which we will report.

We recognise if someone discloses abuse or suspects abuse, we cannot ignore it or do nothing with the information. We will:

- respond warmly to the person and listen well to what we are being told;
- Record what was said after the disclosure and sign and date it;
- Refer the concern to the DSO, as soon as possible and within 24 hours (and the statutory agencies if necessary);
- discuss the concern and receive advice without identifying the victim if the concern is about an adult victim of abuse and they have not consented to the sharing of information. On rare occasions and to prevent significant harm we may need to share information with statutory agencies without a person's consent.

If someone wishes to disclose abuse to us

- We will let them know from the start we may need to tell someone else
– DON'T PROMISE CONFIDENTIALITY.
- Accept what the person says (however unlikely the story may sound).
- Listen with undivided attention
- Be aware that the person may have been threatened.
- Never push for information or ask leading questions
- Never ask anyone to lift up or remove clothing to show you any possible signs of abuse.
- Never photograph injuries
- If an adult discloses abuse of themselves, we will ask what they would like to happen next

Concluding

Clarify what the person says happened: Check out What? When? Who? Where?

Reassure the person that they were right to tell you.

Let the person know what you are going to do next and that you will let them know what happens.

Contact the DSO on 07434 284633

districtsafeguarding@methodist-nd.org.uk or your local Children's Services or Adult Social Care

Do not contact the person about whom the allegations have been made

Further guidance can be found in Section 4 of the Connexional 'Policies, Procedures and Guidance July 2024' found at [Connexional Safeguarding Policy](#)

In an emergency

The person receiving the information will assess whether the person is at risk of immediate harm and if so, take any action straight away to safeguard them including contacting statutory authorities such as police, child or adult services.

Caring for people who people have experienced abuse

The Methodist Church recognises that abuse of an individual by someone within a church context can have a negative impact not only on the survivor, but on their family, the perpetrator's family and the church community. The impact will be different for different people and assumptions cannot be made about the severity of the impact and its perceived seriousness. The Methodist Church aims to respond to those affected by abuse in accordance with legislation and guidance but also with respect and compassion, providing pastoral support where appropriate.

People receiving or dealing with reports of abuse will also consider whether other forms of support may be appropriate, in addition to or instead of pastoral support within the church. Confidential advice will be sought from the DSO.

Further guidance can be found at *Safeguarding Policies, Procedures and Guidance*, July 2023, Section 4.3

Responding well to those who pose a risk

Where a concern is passed to the DSO which indicates a person may have harmed another person the DSO will undertake an assessment of risk.

The following risks will be reviewed regularly regarding any concern raised:

Risk to the victim/survivor

Risks to members of vulnerable groups within the church and involved with church activities

Risks to the person believed to be responsible for the issue and their family

Risks to the wider congregation or attendees at church activities
 Risks to the loss of information/records
 Risks to the reputation of the Methodist Church.

Care for those who are subject to concerns or allegations

The Methodist Church aims to provide pastoral care for all its members, including those who are suspected of causing harm or have caused harm to others. However, in this context, such care will be provided in a way that prioritises the safety of other church members, while enabling the person who may pose a risk, to worship and be a part of the church community. Advice will always be sought from the DSO.

For those with a criminal conviction or caution for a sexual offence, or offences against children and young people, Standing Order 010 bars a person from holding any office, post or responsibility. On occasions this Standing Order may be suspended. Contact the DSO for further advice

Specific procedures are laid down for safeguarding risk assessment (e.g. a safeguarding contract). Further information can be found at, *Safeguarding Policies Procedures and Guidance for the Methodist July 2023*, 4.7.

When the DSO receives a safeguarding concern

s/he will:

- i. Consider the child's or adult's safety throughout.
- ii. Advise whether a referral to Children's Services or Adult Social Care and/or police and/or Local Authority Designated Officer is necessary and decide with the referrer who will make the referrals.
- iii. Assess the possible risks posed by the person who has allegedly harmed a child or adult;
- iv. Consider whether an interim safeguarding contract is necessary.
- v. Consider whether colleagues from other churches or community organisations need to be informed following advice from Children's Services/Adult Social Care/police (as appropriate).
- vi. Notify the Connexional Safeguarding Team if necessary
- vii. Contact the media office to discuss communications within the local church and circuit.
- viii. Consider support needs of the victim/survivor, family/close friends
- ix. Consider support needs of the accused and their family.
- x. Ensure pastoral support and management of the case is not provided by someone supervising or overseeing the person whose behaviour is of concern.
- xi. Check whether privacy notices have been provided to relevant parties

and/or advise when they will be given

- xii. Ensure the church notifies its insurance company (if necessary)
- xiii. When necessary, advise the Chair of the trustees in the local church about whether a Serious Incident Referral to the Charity Commission is required, or if a referral to the Disclosure & Barring Service is necessary. (The DSO may be requested to provide support or undertake the preparation of an initial reporting form)
- xiv. Notify the Conference Office of a Charity Commission referral (if necessary)
- xv. Notify District Chair and Superintendent (as necessary)

GOOD PRACTICE GUIDANCE - A TO Z

Critical to good safeguarding is safer recruitment and safer working practices.

The Church has developed procedures for both these areas, informed by legislation and government guidance. As such, we aim to:

- carefully select and train all those with responsibility within the Church in line with safer recruitment principles
- ensure that any church activities are organised in such a way to avoid the risk of harm to everyone participating
- promote safe spaces that are inclusive and welcoming.

Below is an A to Z list of practices that promote safer working and safer space. Church Council members and leaders of groups with children, young people and vulnerable adults will be familiar with and implement safer recruitment and safer working practices for all activities.

Accident book/ Incident Book

An accident/incident book/log will be available on all church premises and at all church activities

Any injury, however slight, suffered by an employee, office holder or volunteer in the course of their involvement in any church activity will be recorded in the accident book/log, together with the particulars that are a requirement of statutory regulations.

Additional needs

If a child or adult has additional needs the church will try to make reasonable adjustment to accommodate these needs. This may for example include changes to building or provision of large print resources.

Ask the person (or their parent/carer as applicable) how best to meet their needs.

If premises are being redesigned or refurbished, take the opportunity to anticipate the possible additional needs of future children and adults. Disability legislation requires organisations to take reasonable steps to meet the needs of disabled people, and this includes children.

Advocacy /access to an independent person

Children need to know who they can talk to if they need help. Churches will display Childline posters and the contact number where they will be seen by children and young people. See [NSPCC](#)

Vulnerable adults will be allowed and encouraged to share any concerns they have with parents, carers or church staff/volunteers. The Methodist Church aims to create a culture of transparency and accountability, where secrecy will not be tolerated. For adults who lack capacity, appropriate support and advice can be obtained from IMCAs. Find out more: [independent mental capacity advocate](#)

Anti-bullying

POLICY FOR CHILDREN/ YOUNG PEOPLE'S GROUPS

The Methodist Church works with children and families as part of its activities.

The purpose of this policy statement is:

- to prevent bullying from happening between children and young people who are a part of our organisation or take part in our activities
- to make sure bullying is stopped as soon as possible if it does happen and that those involved receive the support they need
- to provide information to all staff, volunteers, children and their families about what we should all do to prevent and deal with bullying.

This policy statement applies to anyone working or volunteering on behalf of the church, Separate documents set out:

- our code of Safer Working practice for those who work with children, young people and adults
- our policies and procedures for preventing and responding to bullying and harassment that takes place between adults involved with our organisation are below.

Bullying includes a range of abusive behaviour that is

- repeated
- intended to hurt someone either physically or emotionally.

We recognise bullying causes real distress and affects a person's health and development

- in some instances, bullying can cause significant harm
- all children, regardless of age, disability, gender reassignment, race, religion or belief, sex or sexual orientation, have the right to equal protection from all types of harm or abuse
- everyone has a role to play in preventing all forms of bullying (including online) and putting a stop to bullying.

We will seek to prevent bullying by:

- developing a code of behaviour that sets out how everyone involved in our organisation is expected to behave, in face-to-face contact and online, and within and outside of our activities
- holding regular discussions with staff, volunteers, children, young people and families who use our organisation about bullying and how to prevent it
- providing support and training for all staff and volunteers on dealing with all forms of bullying, including racist, sexist, homophobic, transphobic and sexual bullying
- putting clear and robust anti-bullying procedures in place.

Our regular discussions with staff, volunteers, children, young people and families will focus on:

- group members' responsibilities to look after one another and uphold the behaviour code
- practising skills such as listening to each other
- respecting the fact that we are all different
- making sure that no one is without friends
- dealing with problems in a positive way
- checking that our anti-bullying measures are working well.

Responding to bullying

We will make sure our response to incidents of bullying takes into account: the needs of the person being bullied

- the needs of the person displaying bullying behaviour
- needs of any bystanders
- our activity, group or church.

We will review the plan we have developed to address any incidents of bullying at regular intervals, in order to ensure that the problem has been resolved in the long term.

Diversity and inclusion

We recognise that bullying is closely related to how we respect and recognise the value of diversity. We will be proactive about:

- seeking opportunities to learn about and celebrate difference
- increasing diversity within our staff, volunteers, children and young people
- welcoming new members to our organisation.

This policy statement should be read alongside our organisational policies and procedures including:

- safeguarding and child protection policy and procedures
- managing allegations made against a child or young person
- managing allegations of abuse made against staff and volunteers

- code of conduct for staff and volunteers
- equality, diversity and inclusion policies.

POLICY FOR ADULTS

All allegations of bullying of adults will be reported to the District Safeguarding Officer

The Methodist Church offers a warm welcome to everyone and strives to be a safer place for all where all forms of bullying and harassment will not be tolerated.

Policy Statement

Bullying and harassment are unacceptable and never excusable. The Methodist Church holds that all forms of bullying and harassment are unacceptable, inconsistent and incompatible with the Christian faith and a Christian way of living. The Methodist Church is committed to being a safer space for all. This means ensuring that members of the Methodist Church have an understanding and awareness of harassment and bullying and know how to respond appropriately, and that there are processes in place to enable the issues to be addressed. Victims of bullying or harassment can expect to be listened to, taken

seriously and supported when they disclose that they are subject to bullying or harassment. Local Churches can receive advice and support from their Church/Circuit Safeguarding Officer and the District Safeguarding Officer.

Definition of Bullying and Harassment

There is no single definition of bullying. The Advisory, Conciliation and Arbitration Service (ACAS) states that bullying may be characterised as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying or harassment may be carried out by an individual against an individual (perhaps by someone in a position of authority) or involve groups of people. It may be obvious, or it may be insidious. Whatever form it takes, it is unwarranted and unwelcome to the individual. The Methodist Church offers this definition as follows:

Any behaviour, always involving a misuse of power, which an individual or group knows, or ought reasonably to know, could have the potential effect of offending, humiliating, intimidating or isolating an individual or group should be regarded as unacceptable. 'Unacceptable behaviour' changes its label to 'bullying' or 'harassing behaviour' when it causes actual harm or distress to the target(s), normally, but not exclusively, after a series of incidents over a prolonged period of time. Lack of intent does not diminish, excuse or negate the impact on the target or the distress caused. The degree of intent is only relevant in terms of how the behaviour should be challenged and the issues subsequently resolved. (Positive Working Together - A Short Guide 2015)

Harassment refers to poor treatment related to a protected characteristic (ACAS 2020). These are as follows:

- age
- sex
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity
- race
- religion or belief
- sexual orientation

While bullying itself is not against the law, harassment is. It is against the law to discriminate against someone on any of the above grounds under the Equality Act (2010).

You are also protected from discrimination if:

- you are associated with someone who has a protected characteristic, for example a family member or friend

- you have complained about discrimination or supported someone else's claim.

Bullying and harassment is behaviour that makes someone feel intimidated or offended (Workplace bullying and harassment - GOV.UK 2020). These terms are often used interchangeably and some definitions include bullying as a form of harassment.

Types of Bullying

There are different types of bullying and some can be covert and therefore more difficult to spot, but others more obvious and therefore easier to identify. It is helpful to split these into different categories:

Physical Bullying This can include hitting, kicking, tripping, pinching, pushing or damaging property.

Verbal Bullying: This can include name-calling, insults, snide remarks, teasing, intimidation, homophobic or racist remarks, or verbal abuse.

Social Bullying: This form of bullying can take many forms such as the following:

- Lying and spreading rumours
- Negative facial or physical gestures, menacing or contemptuous looks
- Playing nasty jokes to embarrass and humiliate
- Mimicking unkindly
- Encouraging others to social exclude someone
- Damaging someone's social reputation or social acceptance.

Cyber Bullying: This can happen at any time and be in public or in private and consist of the following:

- abusive or hurtful texts, emails or posts, images or videos
- deliberately excluding others online
- nasty gossip or rumours
- imitating others online or using their log-in.

Bullying and harassment can happen:

- face-to-face
- via a third party instigated by the 'primary' bully
- by letter
- by email
- via any digital platform
- by phone (mobile or landline).

What is not bullying:

- single episodes of social rejection or dislike

- single episode acts of nastiness or spite
- random acts of aggression or intimidation
- mutual arguments, disagreements or fights.

These actions can cause great distress, but do not fit the definition of bullying unless someone is deliberately and repeatedly doing them (National Centre for Bullying 2020). The Methodist Church has systems in place to deal with those within the church who are perpetrators of bullying or harassment. The Complaints and Discipline process is one route, but this does not apply to those who are not members of the Methodist Church. To help ensure any allegations of bullying or harassment are dealt with in a timely, sensitive and comprehensive manner and that pastoral care for the victim is prioritized the procedures for any allegation or complaint are detailed in the flowchart.

Churches Websites

Methodist churches and organisations creating their own websites adhere to these safeguarding policies and procedures and regularly review the pages of their sites so that they remain up to date, effective and safe. The Internet is constantly evolving and changing, and the Methodist Church guidelines change accordingly. You are strongly advised to review the guidelines regularly to ensure your compliance. See Methodist Church Social Media Guidelines: [here](#)

Anyone designing a website for a Methodist church, will ensure the safety of children and young people and vulnerable adults.

Website builders will follow these guidelines:

- Photographs are personal data as far as data protection legislation is concerned and will be used responsibly. Where a person requests their photograph is not included this decision will be respected.
- Obtain written and specific consent from parents or carers before using photographs of anyone under 18 on a website. This will include providing a

privacy notice. Where the person in the picture is 12 or over, their consent will also be sought, in addition to that of parents, carers or guardians.

- Children and young people under the age of 18 will not be identified by name or other personal details, including email or postal addresses and telephone numbers.
- When using photographs of children and young people, use group pictures. When a photograph of an individual child or young person is used, names or other personal details will not be used in any captions.
- Care will be taken when advertising special events for children and young people.
- Ensure that the image files are appropriately named – do not use names in image filenames or alt tags.
- Only use images of children in suitable clothing to reduce the risk of inappropriate use.
- Consider advertising events simply by giving contact details of the adults responsible.
- When posting activity ideas for children or young people, ensure they comply with good safeguarding practice.

Code of safer working practice with Adults –

To be issued to all workers and volunteers with adults.

You will:

- treat all adults with respect and dignity
- ensure that your own language, tone of voice, and body language are respectful
- record any incidents of concern and give the information to your group leader, sign and date the record
- share concerns about an adult or the behaviour of another worker with your group leader and/or the DSO. Complete the safeguarding concern form and send to the DSO.

You will not:

- invade the privacy of an adult who is washing and toileting
- use any form of physical punishment or restraint (except car seat belts)
- be sexually suggestive about or to an adult, or scapegoat, ridicule or reject an adult or group
- permit abusive peer activities (e.g. initiation ceremonies, ridiculing or bullying)
- show favouritism to any one adult or group
- allow an adult to involve you in behaviour that is overtly physical or sexual
- allow unknown adults access to adults deemed at risk of harm (visitors will always be accompanied by a known person)

- allow strangers to give lifts to adults in your group.

Visiting adults at home

- Most visits to adults in their own home will be straightforward as they will be well known to the church.
- However, when visiting someone new for the first time, visitors will let someone else know whom they are visiting (and when).
- Visiting in twos may be advisable, especially if the adult lacks mental capacity.
- Do not call unannounced. Call by appointment, telephoning the person just before visiting if appropriate.
- Be clear about what support can be offered to the adult if they ask for help with particular problems and refer back to the church if uncertain.
- Do not make referrals to any agency that could provide help without the adult's permission, and ideally encourage them to set up the contact.
- Never offer 'over the counter' remedies to people on visits or administer prescribed medicines, even if asked to do so
- Do not accept any gifts from adults other than token items, to avoid misunderstandings or subsequent accusations from the person or their family. If you have received any gift, make your group leader aware you have received the gift and decide with the group leader what should be done with it. If someone wants to make a donation to the church, put it in a sealed envelope, mark it on the outside as a donation and obtain a receipt from the treasurer.
- Pastoral visitors will note the date when they visit people, report their visit to the pastoral secretary and say what is concerning or going well. The pastoral secretary will report safeguarding concerns to the minister and DSO as appropriate and agree what action will take place and who will record the incident.
- It is advisable to take a mobile phone on all visits.

- ensure that another adult is informed if a child needs to be taken to the toilet (toilet breaks will be organised for young children)
- ensure children and young people know who they can talk to or contact if they need to speak to someone about a personal concern and encourage them to speak out if they feel uncomfortable or concerned (signpost children and young people to Childline) Childline
- respond warmly to a child who needs comforting, but this will not involve physical comfort e.g. cuddles.
- advise children, young people and their parent/carers/guardians in advance if any activity requires physical contact and provide an opportunity to opt out or agree alternative activities.
- administer any necessary first aid with others around
- obtain consent for any photographs/videos to be taken, shown or displayed via any medium. This will be from the parent, carer or guardian and the young person if 12 years or over. Images will not be taken or stored on personal devices.

- allow unknown adults access to children (visitors will always be accompanied by a known person)
- allow strangers, and those who are not authorised, to give children lifts accept gifts, without notifying the group leader

Consent Forms

Where the church is running a dedicated service for children or vulnerable adults best practice requires that all activities will have: a registration form including the following:

- name and address
- date of birth
- emergency contact details
- medical information
- any additional needs including activities person cannot take part in
- consent for emergency medical treatment
- consent for photographs/videos if relevant.

Consent forms will be available at every session of the relevant group for reference and use in case of emergency. Separate consent will be obtained for

one-off events and activities (e.g. swimming) and also for outings, weekends away etc. Personal details will be stored securely.

Consent to share information

The general principle around consent is that you will explain to children and adults at the outset, openly and honestly, what and how information will, or could be shared and why, and seek their agreement to share personal or sensitive information.

The exception would be where seeking consent would put that person at increased risk of significant harm, or would undermine the prevention, detection or prosecution of a serious crime, including where it might lead to interference with any potential investigation.

You will, where possible, respect the wishes of children, families and adults who do not consent to share confidential information. However, this will not stop you reporting concerns or seeking advice from the DSO, who will discuss the concerns in an anonymized way, wherever possible.

You may still share information if, in your judgement, there is sufficient public interest to override that lack of consent.

When in any doubt, you will seek advice from the DSO.

This is particularly recommended in relation to adults as the issues around capacity and consent are more complex.

Disability and Accessibility

The Equality Act 2010) www.gov.uk/guidance/equality-act-2010-guidance provides disabled people with protection from discrimination and gives legal rights in the areas of:

- employment
- education
- access to goods and services

What does accessibility mean in practice? Some examples:

- accessible toilets
- installing ramps
- providing information in various mediums e.g. braille, clearer signage
- providing sign language interpreters
- installing T-loops
- ensuring that wheelchair access is possible
- providing disability awareness training.

Domestic Abuse

Domestic abuse is defined as the abusive behaviour of one person towards another if the persons involved are 16 years of age or over and personally connected.

Behaviour is abusive if it consists of any of the following:

- Physical or sexual abuse
- Violent or threatening behaviour
- Controlling or coercive behaviour
- Economic abuse
- Psychological, emotional, or other abuse

All reports of Domestic Abuse will be taken seriously by the church and advice sought from the DSO. We have adopted a separate Domestic Abuse policy and charter.

Domestic Abuse Policy

We pledge to:

- raise awareness about domestic abuse and its impact on individuals, children, the wider family and community
- ensure that the safety of individuals suffering abuse or seeking help is the first priority, and be aware of the need for confidentiality (unless there are safeguarding concerns) consider how best to provide support and information for anyone seeking help, including working with specialist agencies
- encourage discussion of how our church can be a safer space for victims and survivors of domestic abuse
- regularly discuss the Domestic Abuse policy, procedures, theology and principles that underpin it
- adopt the Domestic Abuse Charter and display this in our churches and on social media
- discuss domestic abuse with church leaders, including at the Church Council

Drug and Alcohol Use

Drugs and alcohol are strictly forbidden while participating in Methodist activities for young people. This applies to staff, volunteers, visitors, children and young people. If drug or alcohol use by children or young people is suspected, the group leader will be informed and a discussion will take place about informing parents/carers. The DSO will be informed. Consideration will be given to the need to inform the police and for a referral to appropriate support services. Alcohol is not generally allowed on Methodist Church premises.

Equality, Diversity and Inclusion

EDI (Equality, Diversity and Inclusion) and Unconscious bias.

Our safeguarding policy is underpinned by the commitments outlined in the 'Strategy for Justice, Dignity and Solidarity' (The Methodist Conference 2021), aiming to ensure that we improve the experiences of all people and working towards a fully inclusive church. As part of achieving this we will also consider how unconscious bias can affect us and train ourselves to recognise it and modify our responses accordingly.

'Working towards a fully inclusive Methodist Church: A User guide to the strategy for Justice Dignity and Solidarity is available here: [User Guide](#) The EDI toolkit is available here:

E- Safety and Internet use with children and young people

- Where WIFI is available on church premises, an acceptable use notice will be displayed with the access instructions. A template is available from here: [WIFI acceptable use policy](#)
- Create a social media policy and agreement. See [Social media guidelines in work with children and young people](#) You can also find a really helpful guide at : <https://bit.ly/DigitalSafeguarding>
- Ensure that all electronic communications are appropriate and professional.
- If using e-technology as a group activity, ensure that an adult worker knows and understands what is happening within the group.
- Do not make any relationship with a child (other than family members) through a social networking site or online.
- Maintain a log of all electronic contact with individuals or groups including messaging and texting.
- Ensure that parents or carers are aware of what their children or young people are doing and have given their written permission in advance.
- When demonstrations are being given, plan beforehand to ensure that all websites visited have material that is appropriate for the age group taking part.
- Where children and young people are given access to undertake their own searches on the Internet, get advice on search engines from <https://www.internetmatters.org/>
- Children and young people will be regularly informed and reminded of safe Internet use and accessing social media. If they have any concerns or fears, they will be encouraged to access websites such as NSPCC or Childline or talk to an adult.

Financial integrity

Financial dealings can have an impact on the Church and the community and will always be handled with integrity. Those with authority for such matters will maintain proper systems and not delegate that responsibility to anyone else.

- Church workers will not seek personal financial gain from their position beyond their stipend, salary or recognised allowances.
- Church workers will not be influenced by offers of money.
- Church workers will ensure that church and personal finances are kept apart and will avoid any conflict of interest.

- Money received by a church will be handled by two unrelated lay people.
- Any gifts received will be disclosed to a supervisor or colleague where it will be decided whether they can be accepted.
- Do not canvass for church donations from those who may be vulnerable (e.g. the recently bereaved).
- Church workers and volunteers will notify their line manager, Minister in Pastoral oversight or the Superintendent Minister before taking on Power of Attorney, wills, bequests or acting as an executor for someone known to them through their church role, and the DSO will be notified.

First aid provision

A first aid kit will be available on the premises where an activity is taking place. The contents will be stored in a watertight container and be clearly marked. Each group will designate one worker to check the contents at prescribed intervals.

All staff and volunteers will be encouraged to have some first aid knowledge and the church or circuit will encourage access to first aid training.

A list of first aiders will be compiled and kept available.

A compliant first aid kit will be carried on all activities off-church premises and in all vehicles used by the church (both church-owned and private).

Notices will be displayed identifying the location of the nearest defibrillator

Forms

Safeguarding Concern referral forms can be found here [Church safeguarding referral form](#)

The following forms are available from [safeguarding forms](#)

- Confidential declarations: All office holders will complete a confidential declaration.
- Safeguarding DBS verifier privacy notice
- Keyholder declaration – Form D: Before the keys can be issued the keyholder is asked to sign the declaration and acknowledge the conditions of issue. This includes a privacy notice and consent form.
- Exemption forms for ministers
- Volunteer with vulnerable groups – Form A

Health and medication

When organising any activity involving vulnerable groups, health issues will be identified before the activity takes place. These may include noting any mobility

difficulties and ensuring that the meeting place is accessible. They may also include matters relating to medication.

In such circumstances, the event leader will ensure that:

- the person required to administer any medication is identified
- parents/carers are consulted so that medication requirements are fully understood
- all medication is stored securely
- consent forms are signed
- a record is made of any medication given, and signed and dated

Health and safety

It is the responsibility of the Church Council to ensure that proper health and safety processes are in place. Health and safety will be managed as part of all activities and reference will be made to the following policies and guidance:

- Health and safety regulation HSE
- Methodist Insurance offer a self-assessment for churches for Health and Safety. Click here [Health and Safety](#)

Hire or use of church premises

See Trustees for Methodist Church Purposes (TMCP) Lettings policy, flowchart and guidance: Click: [Third party use](#)

- For Martial Arts groups with under 18's (including Karate, TaeKwonDo, KungFu, Judo, see *Martial Arts*)
- Many churches own buildings, which they hire out to community groups and others. Some of these undertake work with children. The observance of 'reasonable care' by both parties is a standard insurance condition.
- The hiring body is required to ensure that children and adults who may be vulnerable are protected at all times, by taking all reasonable steps to prevent injury, illness, loss or damage, and will carry full liability insurance for this.
- Lettings officers/ property stewards will ensure the safety of children and vulnerable adults when booking multiple groups for the premises at the same time. Group leaders will be made aware of any associated risks.
- For both one-off and regular hiring, it is recommended that a written hiring agreement be used. Please refer to the TMCP website for further information and hiring agreements, including the declaration: www.tmcp.org.uk/property/letting-property-and-third-party-use.
- If the hiring body is required to register with Ofsted, the church will ask to see the registration certificate and record that it has been seen.
- Church Councils are required to ensure that those who use their premises under licence or who hire the premises for regular or occasional use are given a copy of the local church safeguarding policy

and declare their willingness to comply with the safeguarding policy of the Methodist Church or equivalent procedures (such as Scouting and Guiding national safeguarding policy). This information will be prominently displayed.

- All non-church groups are required to have their own safeguarding policy which will be checked against this checklist. Find the guidance here: [Letting Property and External use of Premises - Methodist Church](#)

Insurance

The church will check adequate insurance is in place to cover all activities as well as the church building. The policy details will be displayed in a public place. A duty exists upon the insured to research and adopt best practice based upon current and ongoing guidelines. It is also a condition of a policy of insurance that any incident or allegation is notified to the insurer immediately. Failure to comply with this requirement may prejudice any cover provided by the policy. Public liability insurance indemnity limits will be kept under regular review. Guidance is available from Methodist Insurance or your insurer. NB It is advised that copies of insurance policies are retained for 50 years, given the potential for historic abuse claims.

Internet

see E- Safety and Internet use with children

Keyholders for church premises

The Methodist Church is not obliged to give anyone access to church premises unless it is required as part of their role for regular hire. Before any keys are issued, a declaration (form D) will be signed acknowledging conditions of issue. The form can be found at [users and hirers](#)

Managing Safeguarding Information, privacy notices, data storage & information sharing

Careful attention will be paid to the storage, use and sharing of data held by the church relating to other people. This is critical to ensure that those who engage with safeguarding processes have confidence in the legitimacy and appropriateness of actions taken. The management of information is governed by law, statutory and government guidance.

Privacy Notices

Privacy notices are central to effective data protection practice within safeguarding and they are supplied using standard documents for specific activities such as reporting a safeguarding concern, ongoing safeguarding case management and before undertaking a risk assessment.

The relevant forms can be found here:
<https://www.methodist.org.uk/safeguarding/policies-procedure-and-information/risk-assessment/>

For safeguarding purposes

- i. Care and sensitivity will be shown in issuing Privacy Notices especially where it may be necessary to inform the police/social care of concerns. In these circumstances seek the advice of the DSO before issuing the Privacy Notice.
- ii. If a person shares information about themselves or a third party the person will be issued with a privacy notice as soon as possible.
- iii. If information has been supplied to the church by a third party which relates to another individual, the person to whom the information relates will receive a privacy notice within a reasonable period of the data being received within one month.
- iv. It is the responsibility of the minister in pastoral charge/ Superintendent Minister to issue the privacy notice. The DSO will advise when the privacy notice may be issued.

Guidance for Data Storage can be found at section Appendix 4 Safeguarding Policy, Procedures and Guidance (July 2023)

(Safeguarding records are usually kept for 75 years)

Advice about what to do in the case of a Data Breach can be found at Appendix 4
 Subject Access Requests for safeguarding are made via Methodist Church House
 Appendix 4

Information sharing requests

Any request for safeguarding information by another organization or person will be directed to the DSO in the first instance. Safeguarding information will not be shared with another person or organization without consultation with the DSO.

The DSO will follow the procedure as outlines in Safeguarding Policy, Procedures and Guidance (July 2023) , *Appendix 4*

Martial Arts

Martial Arts groups which use the church premises will be signed up to the Safeguarding Code in Martial Arts and display the Safeguarding Code Mark.
 More information available here [safeguarding code in martial arts](#)

Mental Health

see Self Harm and Mental Health

Mixed-age activities (eg. Choirs and music and drama groups)

Care will be taken to ensure that children in mixed-age activities such as choirs, music and drama groups are supervised by DBS checked adults at all times. DBS checks are not required for adults in those groups who do not have specific responsibility for children. Separate changing facilities will be provided when needed for adults and children and different sexes. Children will be supervised only by those authorised to do so.

New Places for New People NPNP

See Pioneer ministers, New Places New People NPNP and new projects

OFSTED registration

Churches which provide groups for children under the age of 6 who attend regularly for more than 2 hours at a time or more than 14 days in any period of 12 months will need registration with Ofsted unless an exemption applies. See [out of school clubs](#)

Many children's groups provided by churches will be exempt but will still be required to inform Ofsted of the activity. For further details see [OFSTED](#)

Pastoral Conversations

Relevant safeguarding information may be disclosed in the context of a pastoral conversation. A minister or pastoral visitor is not prevented from disclosing details of any crime or offence which is revealed in the course of a pastoral conversation or a confession within that context. The requirements about information sharing apply. Wherever possible, ministers and others engaged in pastoral conversations on behalf of the Church will explain the limits of confidentiality in pastoral relationships. This will occur at the beginning of a pastoral relationship or meeting. Convicted offenders can sometimes come forward with new information. There is no bar in law to prevent ministers passing on such information to the authorities.

Peer on peer abuse

All concerns about peer on peer abuse (abuse perpetrated by children/ young people on other children/young people) will be reported to the group leader and the DSO and Children's Services.

Photography and Video Recordings

The rights of everyone to choose whether or not to be photographed will be respected.

The following measures are taken to safeguard children and young people at Methodist Church activities:

- Display prominently a notice/notices advising people that that the event will be photographed/recorded; example available [Safeguarding Hub – Nottingham & Derby Methodist District \(methodist-nd.org.uk\)](https://methodist-nd.org.uk)
- Any captions for photographs will not contain the names of individual young people.
- Group photos will be used rather than images of individuals where possible.
- Consent for any photographs/videos to be taken, shown or displayed via any medium. This will be from the parent, carer or guardian and the young person if 12 years or over. Images will not be taken or stored on personal devices. Consent forms for parents, carers and young people 12 and over are available on the District Church website, [Safeguarding Hub – Nottingham & Derby Methodist District \(methodist-nd.org.uk\)](https://methodist-nd.org.uk)
- Images will only be taken or used of young people in appropriate clothing for the activity, undertaking activities that will portray them and the Church in a positive light.
- Where external media or photographers are present, they will be notified of safeguarding policies and procedures. They will not be left in unsupervised, sole contact with a child or young person and will wear an I.D. badge.
- Do not photograph any child who has asked not to be photographed or any child who is known to be under a court order.
- No external party will be allowed unsupervised access to young people while taking images or speaking to children and young people.
- Photographs and video recordings will be stored securely in a password-protected folder on an encrypted system which is only accessible to appropriate and necessary parties. Images will not be retained on any personal, mobile storage devices do not use children's names in photograph captions. If a child is named, avoid using the photograph.
- At large events arrange video or photographic stills of the participants in action or set up photo opportunities at the end. This allows the performance to go ahead with limited interruption, allowing any child who is not to be photographed to take part. If there are children or young people at the event for whom you do not have a completed consent form, put the notice about photographs in prominent places or in the event programme. Make sure that official photographers are aware of the guidelines for photography.
- Guidelines for photographers are available at [Safeguarding Hub – Nottingham & Derby Methodist District \(methodist-nd.org.uk\)](https://methodist-nd.org.uk)
- Where a person becomes aware images of a child or young person in a Methodist context are being used inappropriately this will be reported immediately to the DSO on 07434 284633.

Pioneer ministers, New Places New People NPNP and new projects

Across the district our vision and ministry is constantly evolving. It is essential that whenever a pioneer ministry or new project is being discussed and planned or when an existing project becomes 'Church' that safeguarding is carefully considered before plans are fully developed and the work commences. Safeguarding should be like a golden thread running through all aspects of the work/project. Please contact the DSO, who will support you.

Private Dwellings

Activities in a private dwelling.

Where the activity takes place in someone's home, the owner should consider the health and safety and fire safety risks and the duties to those attending. For example, the owner should have appropriate fire precautions in place and a first aid kit. As the user, you will be responsible for managing risks and should seek support from the group leader (if that is not the home owner) for identifying and making clear the health and safety and safeguarding arrangements according to the activity and individuals attending. Participants should be clear about who the identified lead is and how to report concerns should any arise.

Record-keeping (church activities/events)

As a guide, records of the following will be kept by the local church:

- safeguarding incidents (on the form available here) [Safeguarding Hub – Nottingham & Derby Methodist District \(methodist-nd.org.uk\)](https://www.methodist-nd.org.uk/safeguarding-hub) Safeguarding records to be kept for 75 years.
- church workers employed or working as volunteers with vulnerable groups (this will include start and finish dates, DBS check details, references, application forms, all posts held, training completed)
- risk assessments of church events and activities
- hiring arrangements.

IMPORTANT NOTE See also Managing Safeguarding Information, privacy notices, data storage & information sharing

Registers

A register will be taken of those attending church activities and will include:

- the date of the activity
- the type of activity
- a list of adults present

- a list of children/young people present.

Registers will be retained until all children and young people contained in the document reach the age of 21. If this is unknown there is a standard retention period of 20 years from the creation of the document.

Residential and Day Trips

The Circuit and DSOs will be informed of the dates, times and location, and leader contact details for all overnight/residential trips involving children and young people/vulnerable adults.

For guidance see: [Organising Events - Methodist Church](#)

A sample consent form for off-site activities is available here [Safeguarding Hub – Nottingham & Derby Methodist District \(methodist-nd.org.uk\)](#)

Risk Assessments for Activities

Activity risk assessments will be undertaken, and a written record made before any activity takes place. These will be approved by the event leader/minister and retained securely in case they need to be seen later (e.g. because of an accident taking place).

Activity risk assessments will include:

- the nature of the activity
- the location
- transport needed and associated issues (e.g. insurance)
- staffing levels/gender
- experience of staff
- ages of the group attending, abilities, additional needs
- medical and health needs of the group
- emergency planning
- identification of risks
- action needed to address the risk
- a named person for resolving risk issues

Risk of Children Running Away

If there is a risk of a child running away, contact the child's parents if appropriate; or police/ children's social care.

Do not share with the child who you have contacted.

Make a note of the child's physical appearance including what they are wearing. Consider moving to a place in the building that is less open so they cannot easily abscond. Find something to occupy them.

If a child leaves the premises

- Do not try to stop them physically

- Do not follow the child as this can make their behaviour more unpredictable and may put them at risk of greater harm.
- Contact parent/carer and police as appropriate.

Safer Recruitment

Safer recruitment will be undertaken for all roles and responsibilities in the church.

Safer recruitment begins with a role description. For sample role outlines (which you can edit to suit local circumstances) check out District [N&D Safer Recruitment](#)

You can find the Connexional Safer Recruitment and DBS guidance here: [Safer Recruitment - Methodist Church](#)

The Church Safeguarding Officer and the Minister in pastoral charge are responsible on behalf of the Church Council for ensuring all parts of the safer recruitment policy are followed for all appointments.

The Methodist Church uses Due Diligence Checking (DDC) for all DBS checks. <https://www.ddc.uk.net/>

See the flowchart for who needs a DBS check here [DBS flowchart](#)

DBS checks will be renewed every 5 years in the Methodist Church. Ministers in pastoral charge are normally verifiers, though this task may be delegated to a lay person.

Self-harm and Mental Health needs - Adults

If anyone expresses thoughts of suicide and another person believes there is immediate risk to life help will be sought immediately from the police/ambulance service by calling 999.

Many adults live with mental health needs at some point in their lives. Where the behaviour of an adult with mental health needs is posing a risk of harm to themselves or other people advice will be sought from the DSO. Signposting to the Samaritans may be helpful. The Stay Alive App offers support for people at risk of taking their own lives and those supporting them. [StayAlive - Essential suicide prevention for everyday life](#)

Self-harm and Mental Health needs – Children and Young People

If any child or young person expresses thoughts of suicide and a person believes there is an immediate risk to life immediate help will be sought from the police/ambulance service on 999.

Parents/carers will normally be informed whenever a young person expresses suicidal thoughts or self-harms or talks about self-harming or is concerned about their mental health. If you think this may put the child/young person at risk you will consult the DSO and your local children's services for advice first.

All concerns about self-harm and children/young people's mental health will be referred to the DSO here [Safeguarding Hub – Nottingham & Derby Methodist District \(methodist-nd.org.uk\)](https://www.methodist-nd.org.uk)

Specialised activities

Where the group is participating in a specialised activity such as adventure activities, advice will be sought from the relevant licensing authority/organisation. Advice is also available from the Well for Workers: [The Well Learning Hub - Methodist Church](#)

Staffing levels required for children's/ young people's activities (staff/child ratios)

It is the responsibility of the group leader to arrange sufficient supervision to ensure the safe and effective management of all activities. The following issues will be considered when determining appropriate numbers of helpers:

- the gender of the group – if mixed, then staff members will also be mixed, where possible
- Only those aged 18 or over can be counted as part of the staff to child ratio
- Any leader/helper will be more than 3 years older than the upper age limit of the group
- the duration of the activity
- the competence and experience of the staff providing oversight and support
- the age of the group – staff will have the appropriate skills for the age they are working with
- children with additional support needs, such as physical disabilities, behavioural or mental health problems – extra staff may be necessary
- the size and layout of the room or outdoor area and any particular issues that may be relevant to that location.
- the nature of the activity, what this involves and what tasks there will be for children
- There will be a minimum of two unrelated adults present at any activity (it is recommended that there be at least one male and one female) in line with the ratios below. Staff ratios are based on a risk assessment e.g. increased ratios for outdoor or activities.

Required Adult to Child Ratios (as recommended by the NSPCC)

0 – 2 years 1 adult to 3 children 1:3

2 – 3 years 1 adult to 4 children 1:4

4 – 8 years 1 adult to 6 children 1:6

9 – 12 years 1 adult to 8 children 1:8

13 – 18 years 1 adult to 10 children 1:10

Training

- The Methodist Church offers two levels of Safeguarding Training; Foundation and Advanced.
- Training is refreshed every 4 years.
- A person refreshes their training at the highest level of training.

The responsibility for the provision and record-keeping for Foundation Training is with the Circuit. A list of all who need to undertake Foundation training, and those who are warmly invited can be found here [Foundation training required attendance](#)

The responsibility for the provision of Advanced Module training is with the District. A list of those who need to undertake the Advanced Module and those who are warmly invited is available here. [Advanced module required attendance](#)

All places will be booked via the District website [Booking training](#) go to training sub-section.

For all queries relating to Advanced Module training please contact the safeguarding training administrator on padistrictsafeguarding@methodist-nd.org.uk

The Methodist Church now recognises the Church of England Safeguarding training. This means if a person has undertaken training with the Anglican church recently, they do not have to undertake the same level of training with the Methodist Church. Training will be renewed at least every 4 years. The Foundation Module, C1, is equivalent to Foundation Module. The Leadership Module, C2, is equivalent to the Methodist Church Advanced training Module.

Transport for church activities

The safety of people being transported to and from church activities is the responsibility of whoever makes the transport arrangements. If parents make those arrangements themselves, then they are responsible for ensuring the safety of those being transported.

If the church makes the arrangements, safety becomes the responsibility of the church.

Transport or travel between church activities will usually be the responsibility of the church.

Drivers

- All those who drive children/adults on church-organised activities/rotas will have held a full and clean driving licence for more than two years.
- Drivers who are not children's/adults' workers will be recruited for the task through the normal recruitment process. (For children and young people this role requires an enhanced DBS with Barred list Check. For driving adults who may be vulnerable this will normally require an enhanced DBS check)
- Any driver for church organized activities who has an endorsement of six points or more on their licence will inform the group leader and the DSO.
- Any driver who has an unspent conviction for any serious road traffic offence will not transport children/adults for the church.
- Drivers will always be in a fit state (i.e. not overtired, not under the influence of alcohol, not taking illegal substances and not under the influence of medicines that may induce drowsiness).
- An annual licence check will be undertaken for all drivers using the website [check driving licence](#).
- Insurance and MOT details will be provided to the church
- Cars that carry children/adults on behalf of the church will be comprehensively insured for both private and business use.
- The insured person will make sure that their insurance covers the giving of lifts relating to church-sponsored activities.
- Cars will be in a roadworthy condition. They will have up-to-date road tax and MOT (where applicable)

Transporting Children

- All children/passengers, including the driver, will wear suitable seat belts and use appropriate booster seats. If there are insufficient seat belts, additional passengers will not be carried.
- Children will not be transported in a private car without the prior consent of their parents or carers.
- At no time will the number of children in a car exceed the usual passenger number.
- There will be a non-driving adult escort as well as the driver.
- If, in an emergency, a driver has to transport one child on his or her own, the child will sit in the back of the car another leader notified and a signed record will be kept of the reason for this.

Transporting adults

- Care will be taken in assisting adults to board or leave vehicles and put on seat belts.

- Drivers will be aware of moving and handling issues when assisting adults and transferring their mobility aids.
- Lifts to GP or hospital appointments or adult social care facilities are regulated activity and require additional safer recruitment procedures including an enhanced DBS check with barred list check.

Minibuses/coaches

- Workers/helpers will sit amongst the group and not together.
- If noise or behaviour appears to be getting out of control, stop the vehicle until calm is restored.
- Before using a minibus, the most up-to-date regulations for its use will be checked and a trial drive undertaken.
- The driver will check their licence covers the class of vehicle they intend to drive.

Unaccompanied children

The Methodist Church advises that children under 11 years of age will be taken to and collected from church or a church activity. If a child is over 11 years of age it remains the responsibility of the parent/carer to ensure the child is cared for and arrives and leaves the church safely.

If an unknown child arrives at a church or church activity you will take the following actions:

- Welcome the child
- Confirm their name and request parent/carer contact details
- Contact the parent/carer to confirm where the child is, what the activity is, who is looking after the child and get permission for the child to remain and inform the parent/carer of the end time of the activity.
- Ask the parent/carer for any essential medical information e.g. details of allergies or health conditions
- Request that a consent form (sent with the child) is completed for future attendance.
- If the child refuses to give information about parent/carer or something they say, or how they present, causes you to believe they may be at risk of harm contact Children's Social Care, using the Out of Hours service if necessary. You may also contact the DSO for advice and support.

Uncollected Children

When a child is not collected from an activity the following steps will be followed:

- The parent or carer will be contacted to confirm whether it is safe for the child to go home unescorted.

- If both the parent/carer and activity leader deem it is safe for them to go alone, the child will be given instructions to go home safely. The parents/carers will be invited to discuss future arrangements.
- In the event the parent/carer cannot be contacted, the police will be called and the child reported as missing from home. If there are safeguarding concerns explain these to the police. Keep trying to contact the parent/carer unless the police advise you otherwise.
- Two leaders will always remain with a child in these circumstances.

Venues for church groups with children and adults

- A health and safety check of the premises will be undertaken regularly by the church. The group leader is responsible for notifying the church property secretary of any health and safety concerns relating to the premises. Similar principles apply if the group meets away from church premises.
- The meeting place will be warm, well-lit and well ventilated. It will be kept clean and free of clutter.
- Fire exits will be checked regularly and clearly marked. The fire exits will not be blocked or obstructed.
- Electric socket covers will never be used as they present a safety hazard.
- Toilets and hand basins with hygienic drying facilities will be easily available.
- Appropriate space and equipment will be available for any intended activity.
- Where food is regularly prepared for the group the facilities are checked by the Environmental Health Office. Leaders have Food Handling and Hygiene training and will provide up to date certificates on request.
- A first aid kit is available, up to date, and leaders know where to find it
- The Childline telephone number (0800 1111) will be on display for children's groups
- The safeguarding poster is displayed including local contact numbers for social care
- The certificate of insurance is displayed
- There is access to a telephone/ mobile phone

Victims and Survivors

Support and information for victims and survivors of abuse and those who support them can be found here:

<https://www.methodist.org.uk/safeguarding/support-for-survivors/>

Visiting adults at home

Most visits to adults in their own home will be straightforward as they will be well known to the church. However, there are circumstances where there is a greater risk to the person visiting or the person being visited. Below is a list of things to consider when visiting adults.

- When visiting someone new for the first time, visitors should let someone else know whom they are visiting (and when).
- Visiting in twos may be advisable, especially if the adult lacks capacity. It is also advisable to take a mobile phone.
- Do not call unannounced. Call by appointment, telephoning the person just before visiting if appropriate.
- Be clear about what support can be offered to the adult if they ask for help with problems and refer to the church if uncertain.
- Do not make referrals to any agency that could provide help without the adult's permission, and ideally encourage them to set up the contact.
- Never offer 'over the counter' remedies to people on visits or administer prescribed medicines, even if asked to do so.
- Do not accept any gifts from adults other than token items, to avoid misunderstandings or subsequent accusations from the person or their family. If someone wants to donate to the church, put it in an envelope, mark it on the outside as a donation and obtain a receipt from the treasurer.
- Pastoral visitors should note the date when they visit people, report their visit to the pastoral secretary and say what is concerning or going well. The pastoral secretary will report safeguarding concerns to the minister and safeguarding officer as appropriate and agree what action should take place and who should record the incident.

Vulnerable Children, Young People and Adults

Some children, young people and adults are more vulnerable than others to being victims of sexual exploitation, human trafficking and modern day slavery. If it is suspected that a child, young person or adult is affected by any of these issues, the group leader or minister will be informed and further advice sought from the DSO who will support you in contacting the statutory authorities.

Whistleblowing

Concerns about safer practice and behaviour will always be raised as soon as possible. If any member, volunteer or employee feels that any adult is or has behaved inappropriately towards a child or vulnerable adult, they will speak to the DSO or statutory services. See link to the Methodist Whistleblowing Policy: [whistle blowing policy](#)

WIFI Acceptable Internet usage policy

Where WIFI is available on church premises, an acceptable use notice will be displayed with the access instructions. A template is available on the Methodist Church website safeguarding section which can be modified for local use. [Acceptable Use Policy for Guest Wi-Fi - Methodist Church](#)
